O'Leary-Rapids Orthodontics Welcome Letter

Welcome to O'Leary-Rapids Orthodontics

We hope this letter answers your questions regarding your orthodontic treatment plan.

YOUR ORTHODONTIC EXAM

Your initial exam at O'Leary-Rapids Orthodontics is free. During your first visit to our office, you will meet with the doctor and one of our Treatment Coordinators to review your dental and medical history. You will have a complete orthodontic examination, and could possibly have orthodontic records taken in order to diagnose the general developmental status of your jaw structures and dentition. These records will include photographs and x-rays. Your potential orthodontic treatment will be discussed and we will do our best to answer all of your questions.

FUTURE TREATMENT

If orthodontic treatment appears necessary in your future, you should expect periodic and routine observations to monitor your dental development.

THE COST OF TREATMENT

Once you are ready for treatment, you will meet with one of our Financial Coordinators to discuss which flexible payment option fits your needs. If you have insurance coverage or a flexible benefit plan, we will assist you in claiming and maximizing your benefits.

FINAL THOUGHTS

O'Leary-Rapids Orthodontics strives to be the best in everything we do to help you achieve a healthy smile. We want your treatment to be a positive experience. Thank you for choosing O'Leary-Rapids Orthodontics and trusting us to be a part of your overall dental health.
